

Do You Need a place to stay while in Pass Christian?

We are opening our home to church groups and resident's family/friends who need a place to stay while visiting the Pass. The house is located at 1558 East Second Street. Since it has been used to house many church groups, it has many beds (sleeps 14). There are 2.5 baths in the house and 2 full baths in the enclosed atrium giving your group 4 full and 1 half bath. There is approximately 3300sq ft (heated) space and an enclosed 2600sq ft atrium (unheated). You can see the layout of the home on page 2.

The living room is spacious and adjoins the dining room. The kitchen is large and is fully stocked with pots, pans, plates, etc. There is a microwave, stove/oven, refrigerator with ice maker. There is a gas grill that is available on the back patio. Adjacent to the kitchen is the laundry room with washer/dryer and an oversized sink.

The den is large and has plenty of places to sit and enjoy TV. There is a DVD, VHS, CD (music) player and high-speed internet connection with one computer station available for browsing the world-wide web. There is also a wireless hub to allow your laptops access to the internet.

The west wing has 3 bedrooms and 2 full baths and is the main sleeping area. The east wing has 2 bedrooms and a half bath. The atrium baths/showers are also available. Please note that one of the atrium bathrooms has a urinal with a shower. The other atrium bathroom has a toilet and shower.

The enclosed 2600sq ft atrium is not heated but stays dry. There are two French doors which lead to the backyard. The fenced-in backyard has a swimming pool with slide. If the weather is warm, you can enjoy a nice swim. The house is also near the beach.

If you have any questions or want to reserve this house, you can contact Wendy Diard, the owner, toll free at 866-293-8964 or her mother Wilma Rizzardi (the "manager") at 228-452-0161.

House Rules: No smoking or pets in the house and no sports in the atrium (soccer, baseball, golf, etc.). Please remember that safety is of the utmost importance.
